There are properties you buy to improve. This is not one of them. A move-in-ready three-bedroom apartment in an established, quiet neighbourhood minutes from Tavira's historic centre — 131 m² of interior, a private 31 m² terrace the kitchen opens onto, and an underground parking space included.

Master en-suite plus two double bedrooms, family bathroom and guest WC, built-in wardrobes throughout, air conditioning and lift access. Fully furnished and ready the moment you are. Free of encumbrances; energy certificate valid to 2034.
