ENERGY (EPC)

An end-of-terrace townhouse in the gated Palmyra community at Vila Sol — the end position brings extra light and direct ground-floor access to the communal gardens and pool. Around 240 m² across four levels, every bedroom en-suite, sold furnished and equipped.

Golf-course views run through every level; the private rooftop terrace opens to the sea. Double underground garage, air conditioning, underfloor heating and double glazing throughout. Gated access to the Vila Sol driving range; marina 3–4 minutes, Faro airport about twenty. Energy rating C.
